To register for a webinar or Web 1-on-1 consultation, visit [www.modeferredcomp.org](http://www.modeferredcomp.org) and click the yellow **Event Registration** button at the top of the page.

## Attending a WEBINAR

- 1.) After registering, click the link in the **webinar confirmation email**. (If you do not receive a confirmation email, please contact the education professional.)

- 2.) Complete the **GoToWebinar form and click Register**. Upon completion, an email with the webinar details and joining information will then be sent to you.

- 3.) To **join the webinar**, use the joining information you received from the webinar details email.

## Audio Options

- Use **VOIP (Voice over Internet Protocol)** to connect with device's microphone and speakers, or
- **Call in via phone** using the call in number provided webinar or Web 1-on-1 details email

## System Requirements

- For **Webinar** system requirements [click here](#).
- For **Web 1-on-1** system requirements [click here](#).

## Starting a WEB 1-ON-1

- 1.) After successfully registering, **you will receive an email or calendar invite from the education specialist** with your meeting details and joining information. (If you do not receive meeting details before the meeting, please contact the education professional.)
- 2.) To **start the Web 1-on-1 meeting**, use the joining information you received from the education professional.

## Joining with a COMPUTER

If you have never used GoToMeeting before, you may be asked to either **Join on the web** or **Download the app**.

If you choose to download the app, click the **GoToMeeting Opener.exe** after downloading and then click **Run**. Your webinar or meeting will start automatically after installing.

## Joining from a PHONE or TABLET

Download the **GoToWebinar** or **GoToMeeting** app from the **App, Google,** or **Windows Phone** store. Once installed, you can join the event.
