

How to Reset Your User ID & Password in Account Access

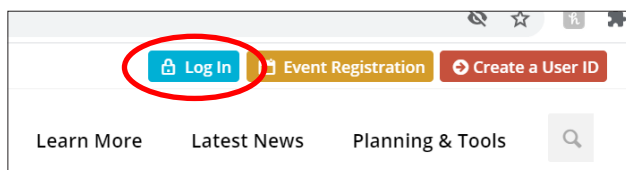

modeferredcomp.org | 800-392-0925

If you forgot your Account Access User ID or password, you can quickly reset it by following the directions below.

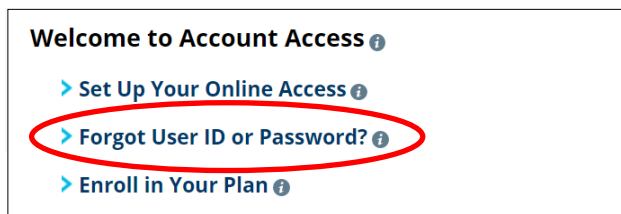

1.) Visit www.modeferredcomp.org.

2.) Click on the blue **Log In** button at the top of the page.

3.) Click the **Forgot User ID or Password?** link towards the bottom of the page.

4.) Enter in your personal information and select your **Reset Option** from the drop down. When complete, click **Next**.

Forgot Login Information

Please enter your information and select which login field(s) to reset.

SSN Last 4 digits

Confirm SSN Last 4 digits

Date of Birth mm/dd/yyyy

Zip Code

Reset Option

- Retrieve User Id
- Reset User Id
- Reset Password
- Reset User Id & Password

5.) Follow & complete the prompts on the following page. **NOTE:** If you select *Retrieve User ID*, it will send your existing User ID to the email address on file. If you select any of the other options, it will send a security code to the email address on file. Enter that security code in the designated box to complete the process.
